

## INFORMATION UPDATE: TAX INCREASE ON SOCIAL SECURITY INCOME

The Federal Government has *increased* the taxable amount of your Social Security Benefits. This is due to a provision in the tax code that allows the IRS to *increase* the tax on your benefits **from 50%** up to a total of **85%**. This could significantly impact you!

There is a plan that will allow you to legally eliminate the tax on your Social Security income. The Federal Government will not notify you of your eligibility and as a taxpayer, you have a right to know.

For **FREE** hard facts and straight answers on how to *stop paying tax on Social Security income*, return this postage paid card today.
